The Book Curator is a full colour magazine, packed with detailed reviews of books for Prep to Year 12, as well as articles, author interviews and other interesting information from the book industry and libraries around the world. Practical tips and insights specific to Australian school libraries from award-winning teacher librarian Megan Daley, author of *Raising Readers*, are included in each issue.

There are eight issues of The Book Curator each year. Members can also access the only guide to the Children's Book Council of Australia Book of the Year Awards, featuring detailed reviews of every title (Notable and Shortlist).

Your member benefits include:

- ✓ Minimum 10% discount on any book orders, plus special offers each month and 20% discount on class sets of 15 copies or more. *
- ✓ Resource Hunter service - you tell us what you or any of your school staff need (either by specific title, or by subject/age/intended use) and we'll do the research for you.
- ✓ Online access to all current and back issues of The Book Curator magazine
- ✓ Access to review database (and you can ask us to review specific titles)
- ✓ Access can be granted to as many staff members as you wish (only limitation is they must all work on the same campus).

* On rare occasions we can't offer a member discount because of the cost of sourcing the book for you. If this happens, we'll tell you *before* processing your order so you can decide whether you still want to go ahead.
